**The Betts Legacy Program
has the solution for your
organization.**

Do not be intimidated by the idea of planned giving and think it is not for your organization.

Nonprofits and faith-based organizations that are looking to create a lasting legacy of giving can start a planned giving program even if they are small and have a few staff members.

We can walk your nonprofit through the initial set-up of a planned giving program and continue working with your nonprofit to maintain and provide guidance.
